Many times I longed for the voice and vision of Rabbi Heschel. As the modern scholarly authority on Israel's prophets, Rabbi Heschel clearly saw the need to heed their message and present it to the modern drama of history through his scholarship and his personal presence with those whom we daily oppress.

I hope that you will assist Steve Brand and Ways and Means Productions to tell his story and remind our time of the voice and vision of Israel's prophets as lived in the life and scholarship of Abraham Joshua Heschel.

Thanks for your consideration.

Peace and Blessings,
